

COMFORT 20

37 m² • 1-4 BEDROOMS

FROM \$36,000

(Includes GST & shipment to the nearest port)

FLOOR PLAN

COMFORT 20 features a practical dual-wing design that unfolds on both sides to maximise usable floor space. Fully insulated and double-glazed, it arrives prefabricated for quick, straightforward installation and can be configured for a wide range of residential or functional uses.

COMFORT 30

59 m² • 1-4 BEDROOMS

FROM \$52,000

(Includes GST & shipment to the nearest port)

FLOOR PLAN

COMFORT 30 is designed to provide a larger, more versatile living space. With a floor area of 59 m², its Hat-roof design provides an internal height of 2.4 metres. It accommodates flexible layouts, from multiple-room configurations to open-plan living, making it suitable for farm settings, coastal properties, and a wide range of lifestyles.

COMFORT 40

76 m² • 1-4 BEDROOMS

FROM \$65,000

(Includes GST & shipment to the nearest port)

FLOOR PLAN

COMFORT 40 is designed with family living in mind, offering approximately 76 m² of spacious and flexible living space. With customisable layouts for one to four bedrooms, a fully equipped bathroom with laundry facilities, and a complete kitchen with an island, it provides the comfort and practicality families need for everyday living.

THE STUDIO

25 m² • 1-2 BEDROOMS

FROM \$28,000

(Include GST & Shipment to nearest port)

FLOOR PLAN

Designed to adapt to your lifestyle, these studios are ideal as a peaceful retreat, productive home office, or flexible guest space. Every square metre is thoughtfully planned for comfort, simplicity, and versatility.
